Daily Lesson Plan

Print one for each lesson, then keep it with your materials so you can use the lesson again.

Teacher _____ Class _____ Date _____

Lesson aim _____ Materials _____

Time	Stage	Stage aim	Methodology	Grouping

Notes on students

Possible problems and solutions

After the lesson: what worked?

Daily Lesson Plan: Example

Stage by stage, with real times. Add as much or as little detail as you like.

Teacher: Your name

Class: Your class

Date: Today

Lesson aim: Look at different ways to write stories

Materials: Text "A nice story", worksheet

Time	Stage	Stage aim	Methodology	Grouping
09:00	1. Introduce lesson 2. Warmer: adjectives	1. Introduce aims 2. Warm-up activity to review adjectives and wake up the students	1. Write aims on board (to look at different ways to write stories). Encourage comments and discussion. 2. Alphabet adjective game	Whole class
09:20	"A nice story"	To further extend use of adjectives and collocations	Read text, elicit responses. Hand out worksheet, whole activity to replace "nice" with other words. Volunteer reads new version. Elicit comments.	Whole class

Notes on students

Give extra time to students who need it.

Possible problems and solutions

Few volunteers? Choose a pair to read together.

After the lesson: what worked?

Write one thing to keep and one to change.
